Quote of the Month

What to do on a snow day?

Re-read **Scrapbooking with Lisa Bearson!** This 2003 book is as awesome today as it was innovative a decade ago. I am re-inspired!!! It entices me to use some of the techniques we loved that don't seem to be trendy today. I'm incorporating vellum and a shaker box on cards for the Pickerington Senior Center, digging out the Memory Makers frame maker, putting some of *hundreds* of eyelets to use, dangling metal letters from beaded chain, styling a page after a magazine cover, cutting openings and placing the pictures behind them, and safety pinning tags to a page! Come make use of Scrap-n-Country's Resource Room! See what inspires you!
