(room for 2 more) Zinck's Inn, Berlin, Ohio

Help! Heads Up!

One of the make and takes for July's Retreat will be a desk top organizer. So far it has been easy to collect toilet paper rolls. (Thanks to the many who have contributed bags full so far – keep them coming!) What we'll need is for scrappers to bring a shoebox! Consider saving some toilet paper rolls, too, because now that I think about, we'll use 576 of them. [This is a project we want to do before the tubeless toilet paper rolls become *the thing* ☺]

Product of the Month

MSRP \$24.99

SNC Price: \$17.49

Stash and Store Storage Container Condense 3 containers into 1!!!

All of our stickles, paints, and spritzes fit into this one Stash and Store Storage Case with room

to spare. It has a reinforced handle that keeps all the bottles upright when it is lifted. The package says it fits into the cube storage systems. Visit [Totally-Tiffany.com](http://www.Totally-Tiffany.com)

Since our LSS resources have dwindled down to one, SNC is offering to order items as needed. Call, email or message on Facebook if you would like to order a Stash and Store Storage Case!

SNC's New Ordering Service

Since our LSS resources have dwindled down to one, SNC is offering to order items as needed. Call, email or message on Facebook if you would like to ask about a supply, machine, storage piece, pen, etc., (ESPECIALLY if you can't get it at Paper Legacy Arts,) please feel free to contact Noreen at SNC. [614 288 9372]

SNC has some limitations in our business ordering requirements. For instance printed paper comes in packages of 25. So, please don't hope I can get you 2 sheets... Many embellishments come in packages of 3-6. I will let you know. Sometimes others will be willing to take the ones you don't want... so it is worth it to ask. Often, if I can use the product in my Custom Scrapbooking, I'll be happy to split the minimum.

Remember SNC's Stickle order? Among us we ordered 50 or more!

Whatever the MSRP (Manufacturer's Suggested Retail Price) is, SNC subtracts 30%. This gives us enough to pay for shipping and handling. For now, this works for us. Pricing will be revisited if/when we start carrying inventory. Our advantage at this point is that our home is our store. We don't have to pay overhead like the LSS do.

SO, BUY LSS FIRST!!!
