Noreen did cutouts for table decorations for Hartley 50th reunion and for a shadow box display. They were great...got loads of compliments, especially on table decorations. She is very conscientious and talented and gets project done fast...very reasonable prices too. Wonderful to have such a nice resource for scrapbooking so close.

ANNOUNCING

a Scrapbooking Fundraiser for

Thomas Worthington Bands

Watch for a winter date and plan to join us for the day!

We are wanting vendors to set up a display of goods, do a make & take, or sell products. (The cost for the vendors' tables will be a \$5 donation to a raffle, a 9x13 dessert to share, and a \$25 "basket" of goodies for an auction.

We are thinking 30 or more tables – have to talk to school staff before finalizing.

A **FULL** table will require a \$30 donation payable by check, please, directly to Thomas Worthington Band Boosters and mailed to Scrap-n-Country to reserve tables.

100% of this \$30 will go to the band.

Contributions toward the lunch will be appreciated. Caterers and restaurants are encouraged to be generous! Do you know someone who would like to help?

We're thinking cold drinks. Can you live without coffee/tea? Maybe we can get them donated too.

Donations of products for the raffle and auction are welcome!!!

Contributions to the goodie bags are being sought. If you or your employer would like to donate pens/tablets/samples/candies/hand lotion/coupons/etc., we would love to distribute them and thank them publicly! (Huntington pens?)

Lunch costs will depend on the amount of things we can get donated.

Not that I want to get too excited, but I'd like for this to become an annual event!

- Hoping to get some of our musicians to entertain us!
- Hoping to get some of our musicians to help us unload and load cars!

What else ought I be thinking about?

Who wants to help?

Can you help spread the word when details are finalized?
