This crafter's dream is nestled in the countryside of Lancaster, Ohio surrounded by trees and nature. Maple Brook Memories is a 5000 square foot home located on 35 acres which makes for a secluded and relaxing environment. You are only 4 miles from State Route 33/Lancaster Bypass but it feels like you are far away from the hustle and bustle of the city. It is not unusual to see pheasant, deer, and turkey near the pond during your stay .

Maple Brook Memories has 5 bedrooms and 2 full bathrooms. The spacious bathrooms are designed to manage 12 guests smoothly. The showers and potties are completely separate and private which allows open access to the vanities while these areas are occupied.

Hosted retreats include home-cooked, delicious meals. It is so nice to be able to go away and have your meals planned for you. The kitchen is stocked with snacks and beverages which are available to you at any moment throughout your stay with us.
