A Special Thank You!

Sheryl, a long time scrapbooking friend and former co-worker from HNB, is

downsizing and moving to another state! She brought over a CAR LOAD of precious scrapbooking supplies for us to make good use of at SNC and the PSC.

Thank you very much, Sheryl!

She did promise that she kept enough to document her new adventures.

Keep in touch, we will enjoy hearing from you and will share some of our projects using your supplies with you.

SNC Announcement!

I have decided to sign up as a Stampin' Up demonstrator under Candy Michael. I've been teaching card making for over four years now between the Pickerington Senior Center and Scrap-n-Country. I find myself using all of my Stampin' Up stamps and ink and believe my customers will enjoy being able to purchase the ones they love while they are here.

Independent Demonstrator

In the spirit of SNC's mission to make scrapbooking as affordable as possible, I will continue to inform you of the best prices available as they are discovered. Scrapbooking is too valuable a hobby to spend more than we have to.

On the other side of the coin, SNC does not stock 8.5x11 and that is perfect for card making. Another huge factor is that Stampin' Up makes cardstock, printed papers, pens and ink pads that all coordinate. This is invaluable in card making especially! The pen set Kim bought for me 16 years ago is finally starting to have pens run out of ink... SIXTEEN YEARS... and I'm thinking the price was well worth it.

Cynthia and I just took Candy's class: "Come Have a Cuppa Tea" canvas and card class. What FUN! I have this tea die cut set, so keep in mind that scraplifting is perfectly legal!

I will be adding some classes like this, too, as well as doing cool projects with the Pickerington Senior Center Craft Group. (Wednesdays at 10 a.m. if you are interested! Min age: 50!!! AND, annual membership is \$12.50)

Watch the August newsletter for more Stampin' Up news. I can hardly wait to participate in their swaps and get their demonstrators' magazine full of ideas. So excited to share it with you.

I will be happy to do a Stampin' Up demonstration at your home or mine. These sessions would be separate from the current First Friday Cards & Tea and First Tuesday Cards & Wine.

Watch for a Stampin' Up Demo and/or class at Scrap-n-Country!
