Stampin' Up

Technique Thursday!

(last Thursday of the month)
10 a.m. or 7 p.m. \$10 RSVP

SNC Announcement!

It is official! I'm a Stampin' Up demonstrator on Candy Michael's team. My introductory demo is on Thursday, August 10th at 7 pm here at SNC and it would be great if you would volunteer to be a guinea pig! When you bring a friend, you'll get a gift for sharing our love of creating.

This first workshop/class will be free!

Everything you need will be provided. A technique will be demo'd, you will do a make and take card, we'll look at the Stampin' Up catalog and talk about future workshops at my place or yours. When you host a party, it can be at your place or Scrap-n-Country. If it is here, you would be responsible for the invites and the snacks. A minimum of 4 guests will be appreciated (counting you.) The workshop fee is \$15 and you will take home 3 cards/projects.

Technique Thursdays are on the calendar for the rest of 2017. They are on the last Thursday of the month and will feature techniques that Stampin' Up demonstrators love. (The magazine and web site I have access to – as a demonstrator - are soooooo cool!)

Choose 10:00 a.m. or 7:00 p.m.

Quote of the Month

This is a busy month. Vicki, Eileen, and I will be demonstrating scrapbooking at the Ohio State Fair on Tuesday, August 1st from 9 -6. Stop by and see us as well as the winners from the scrapbooking competition this year.

Last year there were 52 entries (if memory serves) and this year there are 75. It is an excellent competition and we have SNC prizes for 19 winners! Congratulations!!!

Product of the Month

Still SNC's favorite adhesive. \$7.69 for the duo pack

Liquid Diamond Glaze still the favorite for glossy accents and adhering metal or awkward embellishments. \$2

A special thank you to Glenda of a new for the gift

Scrapy. He played very nicely at the Amish Country Retreat...

Stampin' Up has put three items on the August calendar - so far. The introduction demo is August 10 at 7pm. Please RSVP that you are coming and bringing a friend. Then on August 31st we'll start the Technique Thursdays both at 10 am and 7pm. Hopefully, one of them will fit into your schedule. RSVP for this too. The cost is \$15. You will learn a technique and use it on at least one of the three cards you will be making. We'll have a snack and enjoy the company.

Cards and Tea and Cards and Wine are going strong. They will continue through the end of the year and if all goes well, will continue on into 2018.

SNC is 9 years old this month. When I look back over the changes that have happened over these years I am so grateful.

Next year we will have a party!

On an even more personal note, my grands are coming to visit this month. I'm looking forward to spending time with them and taking lots of pictures to scrapbook!

8th Summer

Retreat

Our Zinck's Inn Retreat was a special time with 18 scrappers and an additional 4 who came to Berlin on Saturday and joined us for dinner at Levi and Betty's home.

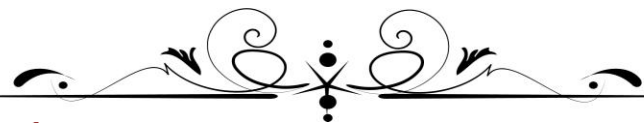

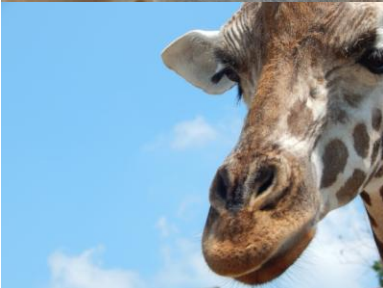

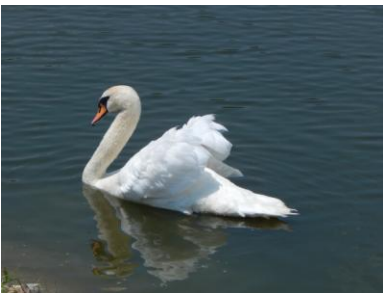

We had room for each scrapper to have TWO tables one in front of us and one behind. What a treat!

Except for a few showers, the weather treated us well and it was comfortable for the shopping and outside adventures.

We worked on a variety of projects – weddings, Disney, embroidered cards, address books, calendars, 3D cards, kids' scrapbooks, travel albums, family memories, coloring techniques, sewing stuffed bears, Christmas, graduation, adventures, pets and more.

Wonderful ladies –and two gents.
